Crawford County

Erie Homes for Children and Adults (EHCA) offers a residential program that provides quality homes with caring staff, enriching activities, and community participation.

We believe that all residents have their own rights, feelings, needs, capabilities, and dignity. Our team works with residents and their families to coordinate services and create activities and opportunities that build on interests, abilities, and goals.

EHCA is home to more than 100 individuals living in 20+ community homes in Erie and Crawford counties. Residents have access to physical, speech, and behavior therapists; a nutritionist; a psychiatrist; 24-hour nursing access; and other professionals as needed. Homes are equipped to support those with complex medical conditions.

Our direct support professionals assist individuals with the use of adaptive and therapeutic equipment, technology, and sensory devices to enrich their experiences.

EHCA Mission

To assist people with disabilities to live rich and fulfilling lives.

EHCA Vision

Each person with a disability should have the opportunity to make choices, to contribute to his or her own daily lifestyle, to obtain the best education or training available, and to enjoy a home-like atmosphere with quality caregivers.
