MOVE (Making Opportunities for Volunteerism and Exploration) is EHCA's dually-licensed Adult and Older Adult day program with a community focus. MOVE gives adults with intellectual and developmental disabilities opportunities to get involved in the community, enjoy art in various forms, learn skills, and so much more.

MOVE is located in a fully accessible building with state-of-the-art technology, nursing staff, medication administration, and therapeutic services.

MOVE fosters independence and inclusion by focusing on everyone's unique abilities and personal interests.

MOVE also provides a creative environment for individuals to express themselves through the visual and performing arts. Art engages the senses and builds confidence. MOVE incorporates various art and dance partners and opportunities to enrich the lives of those we serve.

MOVE encourages everyone to *explore, create, engage, and aspire.*

- Volunteer opportunities through local partnerships
- Recreational activities to build skills and personal and social development
- Opportunities to explore and develop personal interests and goals

All participation can be accomplished independently or with the assistance of communication devices, adaptive equipment, and/or physical assistance from MOVE staff.
